**FOR IMMEDIATE RELEASE**

**METRO TRAFFIC  
ANNOUNCES  
CHRIS BERRY  
TO HEAD METRO SOURCE SERVICE**

**New York, NY – March 9, 2011** – Metro Traffic ([www.metrotraffic.com](http://www.metrotraffic.com)), a Westwood One, Inc. division and a leading supplier of traffic information to the radio, television, mobile and navigation markets, announced today the appointment of Chris Berry as SVP of Metro Source. Berry will be based at Metro Source headquarters in Phoenix and report directly to Mike Haake EVP of Affiliate Sales.

"I am pleased to welcome Chris Berry to the Metro Traffic news team," said Steven Kalin, President of Metro Traffic. "With more than 1,500 radio and television stations relying on Metro Source for their news and information needs, Chris' deep industry experience and news and programming background will be a valuable asset to our business."

Metro Source is a 24/7 news provider, updating around the clock with real-time information tailored for radio broadcasters. Metro Source features dozens of news categories from international headlines to local feeds, business to entertainment, and every major college and pro sport. Metro Source services include fully anchored newscasts; live, anchored sports and entertainment reports; "Rip and Read" wire service; and automated web news with audio and video.

A veteran of both network and local broadcast operations, Chris spent the last 14 years at the Walt Disney Company's radio properties. During that time he served as Vice President, Radio for ABC News in New York where he was responsible for all domestic and international news gathering and programming for the ABC Radio Network. He also served as President, General Manager of News/Talk WMAL, Washington and most recently 710 ESPN, Los Angeles. Prior to joining ABC in 1996, Berry had various management roles at CBS Radio, including Director of News and Programming at WBBM Chicago, and Executive Producer at CBS Radio Washington. Chris began his radio career as a news writer at KNX Los Angeles and is a graduate of the University of Mississippi. He is a former Board Member of the Radio and Television News Directors Association and is the recipient of numerous broadcasting and journalism awards, including Radio and Records "News Talk Executive of the Year".

**About Westwood One**

Westwood One (NASDAQ: WWON) is one of the nation's largest providers of network radio programming and one of the largest domestic providers of traffic information in the U.S. Westwood One serves more than 5,000 radio and 165 TV stations in the U.S. Westwood One provides over 150 news, sports, music, talk and entertainment programs, features and live events to numerous media partners. Through its Metro Traffic business, Westwood One provides traffic reporting and local news, sports and weather to more than 2,250 radio and TV stations. Westwood One also provides digital and other cross-platform delivery of its Metro Traffic content to over 350 radio, television and newspaper affiliates.
